It is a privilege to write my last sale report after 44 years in the mohair industry. What a positive way to end a career and the 2026 summer selling season. Computer programmes help, but it is difficult to compare this sale to the previous one, where most of the top clips were sold. There was not the same demand for the top kids, but average kids sold well. Also, there is a good demand for young goats, and it was a bit of a surprise with the indicator only 1% better. Excellent demand for adults, and most of the buyers were fighting for their share. Also, a smaller quantity of adults is on offer. The highlight of the day was the R 1100.00/kg for the super 25-micron bale of Llyod Short (Borden Farming), Graaff-Reinet. This was closely followed by the excellent kid bale of 23-micron of Schalk & Andreas Nel (Slater Nel CC), Steytlerville at R1 020.00/kg. David Short from Graaff-Reinet also got R1 020.00 for his 25-micron, super kid bale. HF was also especially proud when one of HF BIN bales also sold for R1 020.00/kg. Congratulations to all of them! If the last sale of the season has an upward trend, it is always good news for the next season. The next season starts on the 25th of August 2026. I wish you a blessed off-season, from Pierre van der Vyver (GM: House of Fibre)
