Today marked the opening auction of the winter season, with the market closing 2.9% lower than the previous sale. Despite this decrease, the market was still 13% stronger than the corresponding winter season a year ago, which is encouraging. The stronger kids and finer young goats performed particularly well, with strong demand from buyers. The highlight of the auction was House of Fibre's Bin 269, which achieved the highest price of the day at R881.00/kg. The second-highest price was also achieved by House of Fibre's Bin 263 at R830.00/kg. Congratulations to Rossouw du Randt on these excellent results. Well done to Fourie de Jager from Cradock, who achieved the third-highest price of R811.00/kg for 25-micron and finer mohair. Congratulations also to Petrus Marx from Wolmaransstad, who achieved an excellent R800.00/kg for his 26-micron kids.
