The fifth mohair sale of the 2025 summer season was satisfactory, considering the world's turmoil. For example, last Friday, the Chinese government announced a total embargo on South African wool and mohair because of the foot and mouth outbreak in Natal. We still reel after the effect of the Donald Trump levies, with just two buyers in the mohair sale room. Then the Rand strengthened with 4% against the US Dollar. However, the catalogue offered was of an extremely high standard and the quality carried the market. The two top clips on the sale, the Bosch brothers (Robert & Michael) of Somerset East (Rietfontein Familie Boerdery) and Vleikuil Boerdery (Ben-Johan Snijman) from Rietbron reaped the benefits of the demanding work. The Bosch brothers achieved a seasonal record price of R800.00/kg for their best bale of kids. This bale was a super-style, B-length bale with a micron of 24.2 and a clean yield of 88.1%! Ben-Johan was close on their heels with a price of R795.00/kg. This bale was also a B-length, super-style bale with a micron of 23.0 and a clean yield of 91.2%. Then you also have the top kid bale of Paul & Matthew Broeksma, (Teerputs Farming) Aberdeen in between @ R796.00/kg! This bale was a B-length, super-style, 22.2 micron with a clean yield of 89.1% The next sale will be on the 27th of May with some of the best clips in the world on offer.
