Today we had a very good sale, especially considering the large volume of mohair on offer. The market closed just 1% down from the previous auction, which is a positive result given the size of the offering. Special congratulations to Willem Wagener from Willowmore, who achieved an excellent price of R830.10/kg for a Super style Winter Kid with 25.4 micron and a clean yield of 88.2%. His clip also achieved an average well above R400.00/kg, which is an excellent result. Our next sale will not be as large as today's auction, although there will still be a substantial quantity on offer. Lesotho mohair will also be included in the offering, which could have an influence on the Cape mohair market.
