The fourth mohair sale of the 2024 summer season performed satisfactorily with a general indicator of 1.1% down from the previous sale. This is a result of the fact that it was the biggest offering of the season. To help minimize the effect of the larger mohair quantities, HF withdrew twenty tons of mohair and bought it in at the current price level. On a positive note, the quality offered this season thus far is the best I have seen in my 40 years in the trade. Also, for the first time in the history of RMS, the offering today consists of 99% RMS-certified mohair! The positive news does not stop there. Delpport Broers from De Rust, Die Wieg from Oudtshoorn and Leon Eybers from Rietbron must be congratulated on the quality of their clips. It showed in the prices, with Delpport Broers establishing a new seasonal record price for their best bale of kids at R825.00/kg. Martin & Hein Truter (Die Wieg) smashed that record at R838/kg. Leon Eybers, selling at the end of the catalogue, broke that record with a mighty R860.00/kg for his best bale of super style summer kids. The best bale of the season so far. The next sale will be similar in size and will be held in two weeks on the 29th of April 2024 in the Mohair Exchange.
